

## **MIA INVITES SPEAKERS/TRAINERS FOR CPD PROGRAMMES**

The Malaysian Institute of Accountants (MIA) plays a key role in developing the profession and preparing accountants at all levels to be agile, resilient, future-relevant and equipped to contribute to Malaysia's long-term growth and sustainability.

MIA's professional development programmes are pivotal to shaping future-relevant and competent accountants in supporting all sectors of the economy. MIA would like to invite experienced trainers and speakers to work with its CPD team to design and deliver technical training programmes in the following areas;

1. Financial Reporting Standards & Accounting
2. Taxation & SST
3. Auditing, Assurance & Risk Management
4. Management Accounting & Strategic Management
5. Legal & Corporate Governance
6. Banking & Finance
7. Data Analytics & Technology
8. ESG, Sustainability & Climate Change
9. Personal Development

Speakers/Trainers who are interested, kindly complete our Trainer Engagement Form with details and experience [HERE](#).

Please email the completed form to [swu@mia.org.my](mailto:swu@mia.org.my) by 11 November 2022 (Friday).

Thank you.
